Woon Lee Construction Co Limited are developing the Phase III expansion of the Harrow International School in Tuen Mun.

December 2019

Harrow International School, Hong Kong in Tuen Mun is a British international boarding and day school which opened in 2012 and which is now entering its Phase III expansion.

Woon Lee Construction Co Limited is the main constructor and they began installing 300m of DN250 (280mm OD) M90SE PE100 RC CCTV gravity sewer pipes along with 34 sets of DSD Type A manhole connectors into the foundation manholes.

These RC pipes and fittings will provide maintenance free operation for many generations of students to come.

Find information about our PE100 RC CCTV pipe [here](#).
